On behalf of Natixis Taipei Branch (“the Bank”), we hereby undertake that from 1 January 2019 to 31 December 2019, the Bank has duly complied with relevant regulations governing anti-money laundering and countering the financing of terrorism in establishing an internal control system, implementing risk management, designating an independent and objective internal unit to conduct audit, and submitting the audit report periodically to the Headquarter and Regional Office. Following prudent evaluation, it is found that except for items listed in the attached “Enhancement Items and Improvement Plan for AML/CFT Internal Control System”, each unit of the Bank has effectively implemented internal controls for anti-money laundering and countering the financing of terrorism during the year.
